

The Center for Local Government presents:

Awareness / Training for Municipalities

“If you haven’t yet been hacked, you will be. 95% of breached records came from three industries in 2016: Government, retail and technology.”

Speaker:

Katrina Biscay, Director of Information Security, University of Cincinnati
(former Director of IT, City of Sharonville)

Discussion Topics:

- Threat Landscape: Tools, Techniques, Procedures and Adversaries
- Defense in Depth: Know what you are protecting and how.
- Incident Response: You have been pwned, what do to now?

Designed for: CAO’s, IT Directors, Department Heads

Open to all Center members and training partner association members.

When: Tuesday, January 15, 2019

Where: HCC Information Technology Center
1007 Cottonwood Drive, Loveland OH 45140
