## The Center for Local Government and the Lindner Center of HOPE Present: **The Mental Health Training Series**

Mental illness has over a **\$1.3 billion dollar impact** on the workplace every year in this region alone. **Diagnosable mental illnesses are present in over 85% of individuals with substance abuse issues.** **The suicide rate in youth jumped 70% between 2006 and 2016** according to the CDC.

Mental illness is an invisible epidemic that deeply affects our communities, schools, and workplaces. The Center for Local Government is proud to be working with the Lindner Center of HOPE to offer a series of training sessions for local governments on how to best deal with this important issue, both in the community (school employees, first responders, youth engagement), and in the workplace. **All CLG, MVRMA, MVCC and local school employees are invited to attend either one class or all classes.**

**We are hosting three training sessions– each covering a different topic.**

**You have the option to sign up for one, two or all three:**

### **Tuesday, February 5, 2019**

Paul E. Keck, MD **“The Economic Impact of Mental Health on Business”**

Audience: Chief Administrative Officers (CAOs), HR Directors

Mental illness causes billions of dollars of financial losses each year, learn about strategies on how to better address employee mental health needs.

### **Tuesday, February 12, 2019**

Chris Tuell, Ed.D **“Addiction and the Brain”**

Audience: General local government (e.g. CAOs, elected officials), public safety

Understand the physiological causes of addiction, including the fact that 85% of people with addiction issues suffer from other forms of mental illness.

### **Tuesday, February 19, 2019**

Paul Crosby, MD **“Mental Illness in Children and Adolescents: How to Notice Warning Signs, Help, and Be an Ally”**

Audience: Any person who works with youth.

Learn about early detection of mental illness, signs, symptoms, and what to do.

**To RSVP, please contact Lori Stuckey at [LStuckey@C4LG.org](mailto:LStuckey@C4LG.org) by Thursday January 31.** Please let her know which of the above sessions you will be attending. **The sessions are \$20/person each.** So if you wish to attend all 3, your cost will be \$60. If you wish to attend 2 of the 3, your cost will be \$40. Food will be provided.
