## ENERGY SAVINGS FOR MEMBER CITIES AND BEYOND

Most members of MVCC's eight member cities who currently are under AES Electric services about the aggregation program, including the city of Vandalia, Brookville, Clayton, Fairborne Englewood, Trotwood, Union and Easton, are eligible for the new MVCC aggregation program. This electric aggregation program will save residents an average of \$300 a year on their energy bill!

MVCC has teamed up with Energy Harbor, who is a fully integrated retail energy provider and independent power producer capable of generating substantial carbon-free energy.

The fixed price for election you will receive each month of **6.75 cents per kWh**, does not change till renegotiations for a new contract in December 2025. Customers on a special arrangement with the utility such as net-metering, Percentage of Income Payment Plan (PIPP), and mercantile customers who have not provided affirmative consent to join are not eligible for the program. you may leave the aggregation program at any time.

Future bills will reflect the Energy Harbor price upon your next available meter read date, which might take up to 30-45 days. If you are not currently receiving electric generation from Energy Harbor, your electric utility will send you a letter confirming your participation.

You will not be charged an early termination or cancellation fee if you choose to leave the program at a later date for any reason. If you opt out or leave the program at a later date you will be returned to your utility's standard service offer and might not be served under the same rates, terms, or conditions that apply to other customers served by the electric utility.

If you have any questions, you can contact Energy Harbor at their call center at **1-866-636-3749** (Monday through Friday) 8:00am - 5:00pm. Email: [firstchoice@energyharbor.com](mailto:firstchoice@energyharbor.com) or on their website, <https://energyharbor.com/en/contact-us>

## HOLLYWOOD HISTORY LESSON FROM THE PLAZA

Back in 2021, Doug Sorrell of the Historical Plaza Theatre in downtown Miamisburg began a special highlight series on the 1st and 3rd Wednesdays of each month called, **A Century of Cinema**. Each presentation would show film clips, photos, trivia and interesting stories related to each highlighted film.

The Plaza Theatre was among 22 arts organizations to receive a special project grant courtesy of the Montgomery County Arts and Cultural District and Culture Works. The grant allowed the organization to help finance this series of classic films, predominately made before 1965.

The Plaza Theatre and MVCC have teamed up to show some of Sorrell's past presentations to air on EATV (Spectrum Cable Dayton South) Channel 21 and AT&T U-verse Channel 99, Thursdays at 7:30pm and Saturdays at 6:30pm

Some of these past presentations include James Dean, Barbra Streisand, Ohio Born Stars, Hollywood Veterans, Hollywood Bombshells Of The Golden Area and Hollywood Classic Monsters. To view episodes On-Demand, visit [www.mvcc.video](http://www.mvcc.video), **SEARCH: A Century Of Cinema.**

OF MEDIA ARTS

## READY FOR THE SPOTLIGHT

The Philo Festival of Media Arts highlights the best of independent media from Ohio, Michigan, Kentucky, & Indiana. It's an invaluable service provided by the Alliance for Community Media (ACM), Central States Region. This annual competition is notable not only for celebrating local excellence in television, but also for valuing content as much as production quality.

MVCC has a long history of competing and winning Philo Awards. MVCC has received 256 Philos since 1986!

September 29, 2023, is the official notice date to receive the results. The Excellence award nominations (*determined by the judging panel*) are also notified by those dates. Winners are not announced until the day of the event, however.

MVCC has 18 programs entered in the event. A quick reminder for local content creators; MVCC pays the fee for one video each from MVCC certified producers. If you missed out this year, consider trying the competition in 2024.

The Philo Festival of Media Arts is part of a two-day ACM conference on October 12, 2023, held at Monroe County Community College in Monroe, MI.

Good luck to all our volunteers, local media producers, and staff!
