## 20 YEARS OF HALLOWEEN SPOOKTACULAR

For the last 19 years, they have experienced it all. Trapped in elevators, used a WiFi Ouija board, stuck in a 25 Hour Halloween Sales, haunted amusement parks, haunted movie theaters, teleported to alternate dimensions, faced their fears in an abandoned mall, and stalked by supernatural entities in the middle of nowhere!

Now the teams behind classic MVCC productions, *Two Guys, A Few Movies And Popcorn*, *Geek Speak TV* and *Opening Night Theatre*, go on their 20th Halloween adventure, to battle a paranormal entity from their past before it warps all of public access reality!

The annual six hour Halloween tradition, Halloween Spooktacular 2023 will premier on CATV, Spectrum (Dayton South) channel 991, AT&T. U-verse channel 99 on Friday, September 29, 2023 at midnight. It will also be available On-Demand on [www.mvcc.video](http://www.mvcc.video) on September 30th till the end of December 2023.

## PROGRAM PROMOS AND ID'S

Want to get the word out about your shows? Producers who have a weekly or monthly time slot can have a :10, :30 and/or a :60 second promo video(s) to promote your community or educational programs on CATV 991 and educational programs on EATV 21.

This is your chance to let your audience and the community know where and when to tune in. Promos will air throughout the week on CATV or EATV, as well on the channel's message boards.
